

**Monklands Sporting Car Club Spring Break  
24 to 26 April 2015  
Kirkby Stephen (Ravenstonedale) and The Yorkshire Dales**

Horton in Ribblesdale

Friday will see us set off down South with a view to arranging a lunch stop at about 1pm in Cumbria or Yorkshire. No arrangements have been confirmed yet but a number of picturesque venues have been approached and will be confirmed subject to final numbers. The weekend coincides with 'Drive It' Day, a great excuse to join in.

Dinner for both nights will be in our own private dining room. Further details on The Fat Lamb, Ravenstonedale can be found at [www.fatlamb.co.uk](http://www.fatlamb.co.uk). This is a friendly local Inn with a welcoming landlord who happens to have an Austin Healey 3000, a Mk2 Jag and a penchant for hosting car club weekends. There's room for 24 people to stay and we're hoping we'll fill the place. Extra rooms are available nearby if demand is high.

Saturday will include a Scenic Run in some fabulous lanes in the Yorkshire Dales followed by 'An International Musical Extravaganza' after dinner that night. Star guests and professional musicians have been approached but 'Simon' has asked that their names be withheld for security reasons

Professional musicians (and other less talented souls) are already lined up and rehearsing for their part in this unique event.
